CONCLAVE OVERVIEW

PREPARATIONS

- 1 Cardinals take residence in **Domus Sanctae Marthae**.
- 2 The electors celebrate Mass in **St. Peter's Basilica** the morning of the conclave's first day.
- 3 The electors process from the **Apostolic Palace** to the **Sistine Chapel** chanting "Come Holy Spirit, creator."
- 4 The electors take an oath to maintain the rules and secrecy of the proceedings.
- 5 Two meditations begin the election process.

BALLOTING

- 1 Voting is on paper ballots, with just one tally on the first day.
- 2 After that, rounds of balloting — two in the morning, two in the afternoon — proceed until a new pope is elected by a two-thirds majority.
- 3 If balloting does not yield a two-thirds majority, ballots along with any other notes made by electors are burned.
- 4 If balloting results in the election of a pope, a special chemical added to the burning ballots causes them to yield a white smoke. The white smoke signals that a new pope has been chosen.
- 5 If a new pope is not chosen after three days of balloting, voting is suspended for a day of prayer and reflection; after about 12 days, cardinals can move to a simple majority.
